BENNI ZONE  

Nothing coming out right?

I don't even know what I want to do...

Hey,

try-

?

- to get inspired by me and the others!

What else is an art-collective for?

Gloria's oilpastels,
for example...

She's
incredible,
right?

Though...

...Perhaps she is
just as **DISTRACTING**
as she is inspiring...

How about Alf?
His ceramics are
awesome!

I always
feel super
fired up after
watching him
work!

Or
Siobhan's
photography!

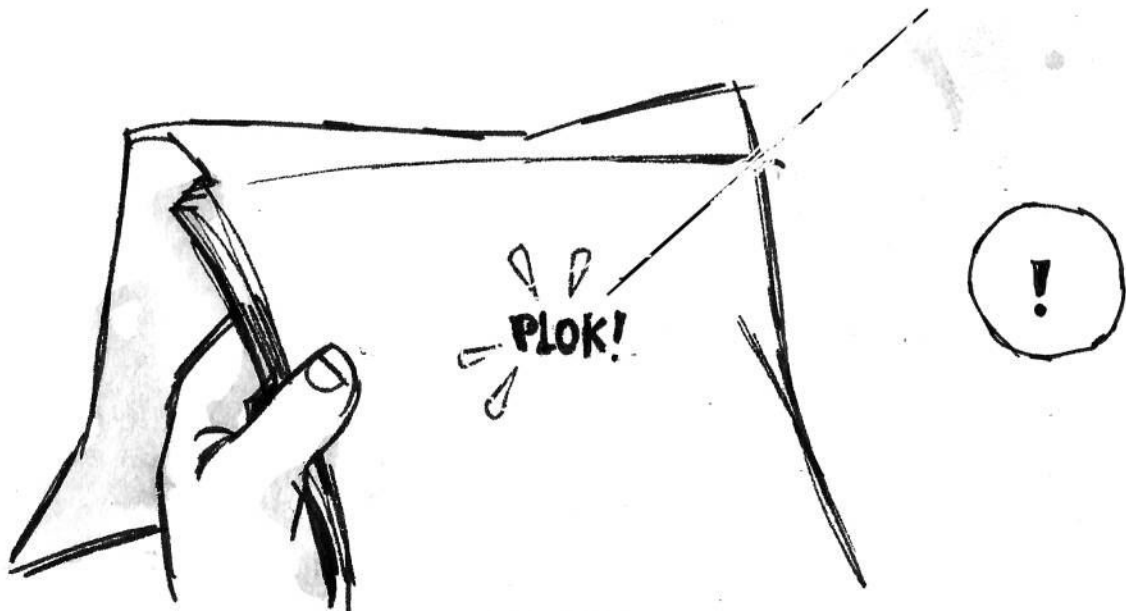

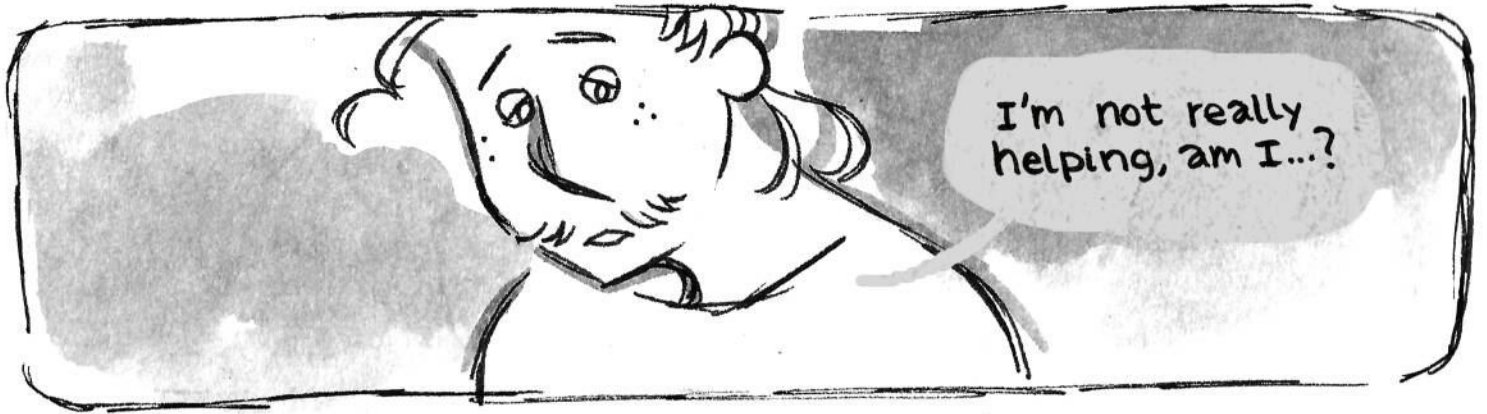

Gustav's
linocut-
prints!

Amira's
crocheting!

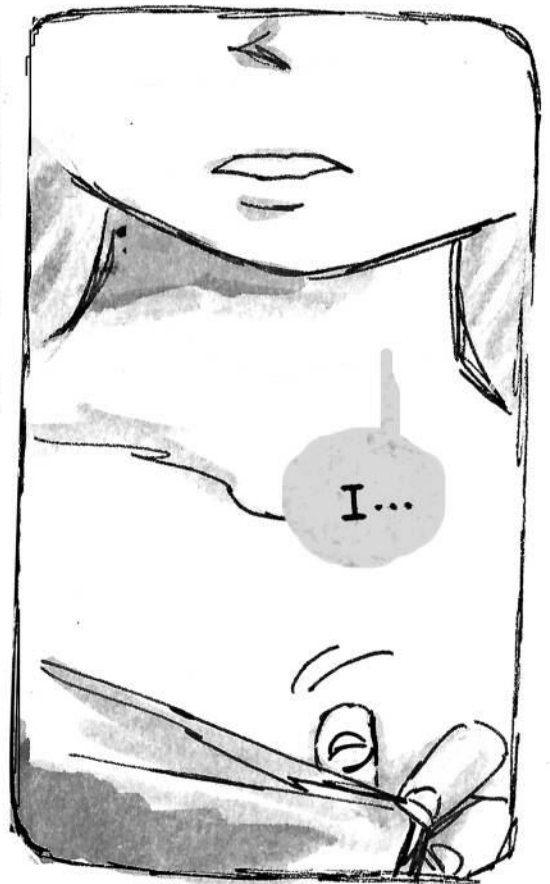

Ah! Where'd those clouds come from?!

My canvas!!

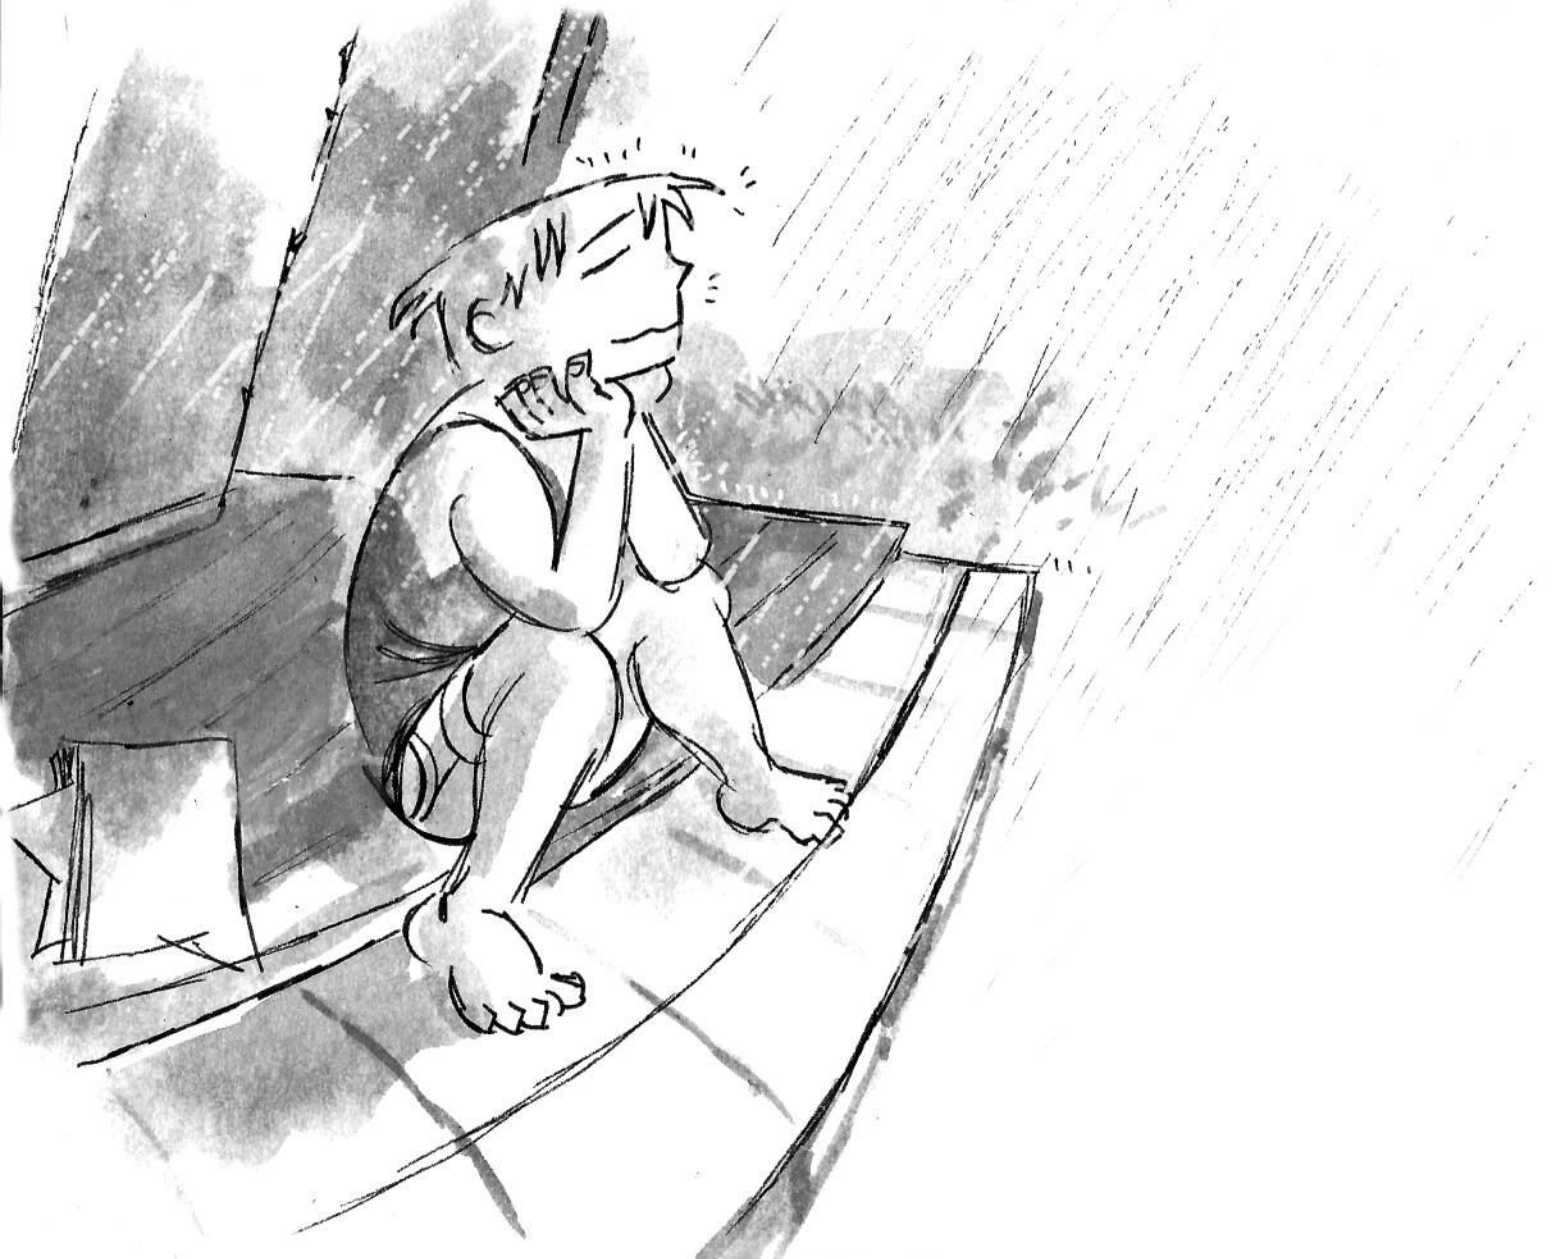

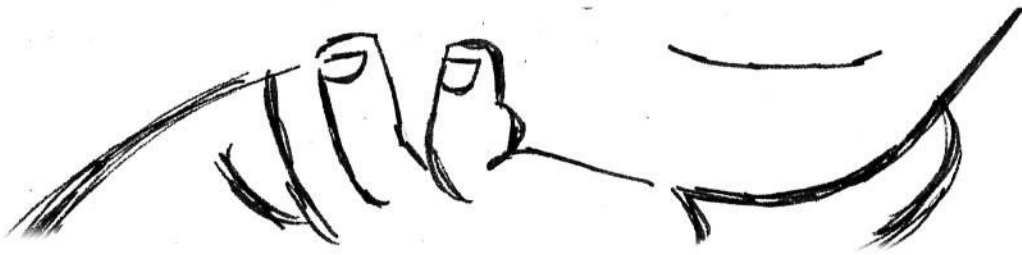

You coming? Hurry!!

I...

...Know what I wanna do now.
